

Test PDF Document

Page 1

This is a test PDF file for the myRAG indexing system.
It contains multiple pages to test page number extraction.

.....

Machine Learning Test

Page 2

This is the second page of the test PDF.

More content here to test chunking across pages.

The quick brown fox jumps over the lazy dog.

.....

Page 3

Final page of the test document.

This tests extraction of multi-page PDFs.

End of document.
